

Oral Presentations:

1. **Chen JR**, Pintye M. Technical aspects of Her-2/neu fluorescent in situ (FISH) in breast cancer. Annual Meeting of Taiwan Society of Pathology, May 24, 2009/Oral presentation
2. **Chen JR**. HER2 Protein Over-expression and Gene Amplification in Taiwanese Gastric Cancer. Annual Meeting of Taiwan Society of Pathology, June 6, 2010/Oral presentation
3. **Chen JR**. 台灣病理學會 2012 分子病理研討會 Technical Aspects of Fluorescent and Chromogenic In Situ Hybridization. July 21, 2012
4. **Chen JR**. 台灣病理學會 2012 分子病理研討會 Technical aspect and application of tissue microarray in diagnostic pathology. September 15, 2012
5. **Chen JR**. 101 年度台灣病理技術學會 病理檢查新技術運用探討學習研討會: 螢光原位雜交 (Fluorescent In Situ Hybridization)
