

Presentations

1. Malignant rhabdoid tumor of the kidney. Illinois Registry of Pathology Meeting, Chicago, U.S.A., 10/27/1986.
2. Pulmonary blastomycosis diagnosed by fine needle aspiration cytology. Illinois Registry of Cytology Meeting, Chicago, U.S.A., 2/19/1987.
3. Progressive multifocal leukoencephalopathy. Illinois Registry of Pathology Meeting, Chicago, U.S.A., 4/28/1987.
4. Chondrosarcoma of the larynx. Illinois Registry of Pathology Meeting, Chicago, U.S.A., 11/23/1987.
5. Primary neuroendocrine tumor of the liver in a child. Illinois Registry of Pathology Meeting, Chicago, U.S.A., 6/24/1991.
6. **Hsueh C**, Murphy S, Gonzalez Crussi F Primary hepatic neuroendocrine tumor in a child: Morphological, and molecular biological studies. International Academy of Pathology, Pediatric Pathology Society, Atlanta, U.S.A., 3/14/1992 (Abstract).
7. Crawford SE, Zales VR, Backer CL, Phal E, **Hsueh C**, Webb C, Gonzalez Crussi F, Mavroudis C: Myocardial hypertrophy and calcification after neonatal cardiac transplantation: Potential predictors of vascular rejection. Joint Meeting of Pediatric Pathology Societies, Barcelona, Spain, 10/1992 (Abstract).
8. Kobayashi J, Crawford SE, Backer CL, Takami, **Hsueh C**, Zales VR, Mavroudis C: The effect of captopril on graft atherosclerosis in rat heterotopic cardiac allografts. American Heart Association, New Orleans, U.S.A., 11/1992 (Abstract).
9. Mixed exocrine and endocrine tumor in pancreas, Annual Meeting of Taiwan Society of Pathology, Taipei, 5/1990.
10. Extrarenal Wilms' tumor, Annual Meeting of Taiwan Society of Pathology, Taipei, 11/1993.
11. **Hsueh C**, Kuo TT: Congenital malignant rhabdoid tumor presenting as a cutaneous nodule. Joint Meeting of Pediatric Pathology Societies, Hong Kong, 10/13/1994 (Abstract).
12. APEC Symposium, Enterovirus Watch Program for Children-Enterovirus 71 Epidemic in Asia Pacific Area, Taipei, 3/27/2000.
13. **Hsueh C**, Kuo TT, Tsang NM, Yang CP, Lin JN: Thymic lymphoepithelioma - like thymic carcinoma in children: detection of EBV encoded latent membrane protein-1 gene without 30-bp deletion. Annual Meeting of United States and Canadian Academy of Pathology, Chicago, U.S.A., 2/25/2002 (Abstract).
14. Jung SM, **Hsueh C**, Kuo TT: Fine needle aspiration cytology of Kikuchi's disease: An analysis of 39 cases. Annual Meeting of United States and Canadian Academy of Pathology, Chicago, U.S.A., 2/24/2002 (Abstract).
15. Symposium on Recent Advances in Pediatric Pathology, Beijing, 9/4/2006.
16. Lin JD, Lin KJ, Chao TC, **Hsueh C**, Tsang NM. Therapeutic outcome of papillary thyroid carcinomas with tumors more advanced than T1N0M0. European Congress Endocrinology (ECE), 10th Annual Meeting, Berlin, Germany, 3/7/2008 (Abstract).
17. Lin JD, Kuo SF, Chao TC, **Hsueh C**. Incidental and Non-incidental Papillary Thyroid Microcarcinoma. American Thyroid Association. 79th Annual Meeting, Chicago, USA, 10/15/2008 (Abstract).
18. Lin JD, Chao TC, Lin KJ, **Hsueh C**, Tsang NM. Local Regional Neck

- Recurrence of Papillary Thyroid Cancers, Asia and Oceania Thyroid Association Congress, Nagoya, Japan, 11/1/2009~11/4/2009 (Abstract).
19. Kuo SF, Lin JD, Chao TC, Chang HY, **Hsueh C**, Chang YC. The radioactive iodide therapy and prognosis in young papillary thyroid cancer patients. Asia and Oceania Thyroid Association Congress, Nagoya, Japan, 11/1/2009~11/4/2009 (Abstract).
 20. Lin JD, Huang BY, **Hsueh C**, Liou MJ, Chao TC. Influence of gender on incidences and therapeutic outcomes of thyroid cancer. Secretariat, 14th International Congress of Endocrinology, Kyoto, Japan, 3/27/2010 (Abstract).
 21. Adrenal schwannoma with diverse histology and uptake of immunoglobulin. The 7th Asia Pacific IAP Congress, Endocrine Session, Taipei, 5/28/2011.
 22. Ueng SH, Chen SC, Chang YS, Hsueh S, Lin YC, Lee LY, Shen SC, Kuo SY, **Hsueh C***. Phosphorylated mTOR expression correlates with poor outcome in early stage triple-negative breast carcinomas, International Breast Cancer Symposium and International oncoplastic Breast Surgery Symposium with the 4th Cross Strait Conference on Breast Cancer Treatment Consensus, Taipei, 9/21/2012 (Abstract). The Breast Cancer Society of Taiwan. **Best poster award.**
 23. Sclerosing mucoepidermoid carcinoma with eosinophilia of thyroid. The 8th Asia Pacific IAP Congress, Endocrine Session, Busan, 9/28/2013.
 24. United States and Canadian Academy of Pathology (USCAP) (Washington State Convention Center, Seattle, WA, 3/12/2016~3/18/2016).
